FORM C

SUMMARY OF TRANSACTIONS FOR PREVIOUS INVENTORY AND IMMEDIATELY PRECEDING IMPORTATION OF THE SAME SUBSTANCE

Important Note:
This document describes how previous inventory and importation of the same substance applied for were distributed to suppliers and end-users. This is crucial in cross-checking the previously declared actual transactions. All information must be supplied completely. Fill up as many forms as necessary. All record relevant to the transactions must be made available to EMB as may be required.

Enclosure / Attachment of
